Meena Wall Sconce

By Corbett Lighting

DAMP

Description

A companion to Fistral, the Meena Wall Sconce recalls a pearl nestled within an oyster. Framed by sinuous curves that sweep away from the wall, the metalwork becomes a three-dimensional object that is almost more sculpture than sconce. Round LED housing glows from within, lit by integrated LED. Finished in Vintage Gold Leaf, Meena's artistry cannot be overstated.

Shown in vintage gold leaf
