## Vela Wall Sconce By Corbett Lighting

### Description

The Vela Wall Sconce is a sculptural ode to natural stone and refined restraint. A luminous slice of pink onyx floats against the wall, suspended by a delicate Vintage Brass loop that recalls the elegance of a dangling earring. Casting a soft, ambient glow that evokes the warmth of dusk, Vela's quiet drama and elemental presence are both grounded and ethereal, adding a touch of material poetry to moody or minimal interiors. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in vintage brass / pink onyx
