Corda Wall Sconce By Corbett Lighting

Description

The Corda Wall Sconce draws inspiration from the elegance of heirloom jewelry where light becomes adornment, and structure tells a story. Hand-blown matte cloud glass spheres are suspended from gleaming chains, accented by delicate ball chain details, evoking the richness of layered pearl and charm necklaces. Corda's layered suspension system allows for customizable hanging methods, introducing an unexpected sense of movement and personalization. It brings a sense of intimacy and ornament to a space, casting a warm, glamorous glow that is both delicate and intentional.
