Klara Wall Sconce By Corbett Lighting

Description

The Klara Wall Sconce is a study in softness and subtlety. A luminous topaz piastre glass shade is gently folded into a spiraling form, reminiscent of a conch shell. The sculpted glass emits a translucent, ambient glow, while a Vintage Brass backplate peeks from behind, evoking a quiet opulence. Delicate yet expressive, Klara's sculpted silhouette and moody shimmer create a romantic interplay of shadow and reflection. The result is elegant, sculptural, and quietly luminous.
