Lampe C Wall Sconce

By DCWEditions

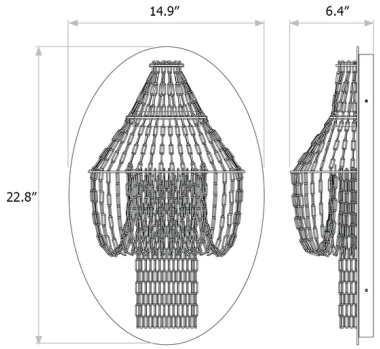

CE

Description

The Lampe C Wall Sconce features the silhouette of a classic chandelier set on an oval backplate with a modern twist. Unlike more traditional fixtures which often featured crystal or glass, Lampe C bounces light off of its cascade of stainless steel chains. As the chain links are illuminated and reflect light, they create a myriad of light droplets for a stunning display. TRIAC dimmable.

Shown in stainless steel / black
