Folk Table Lamp By Troy Lighting

Description

Celebrating natural texture and form, the Folk Table Lamp pairs an earthy ceramic base with a handwoven abaca string shade. Raked grooves along the cylindrical base echo the shade's flowing strands, creating sculptural harmony and vertical movement. Patina Brass hardware adds a subtle touch of refinement to this richly layered design. On/off switch located on socket.Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / abaca rope
