Vessel Table Lamp

By Troy Lighting

Description

Inspired by Ancient Roman pottery, the Vessel Table Lamp features a statuesque, elongated base with a richly textured finish that evokes clay layered by hand. A sharply tapered white linen shade balances the earthy hues with a note of freshness while Patina Brass hardware adds a subtle glint at the neck. Earthy yet refined, Vessel pairs beautifully with Unearthed for a collected, sculptural feel. On/off switch located on socket. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in earthy beige / white linen

Specifications
