Passage Rechargeable Table Lamp By Troy Lighting

Description

Inspired by early American candle holders, the portable Passage Rechargeable Table Lamp reimagines a classic silhouette with modern ease. A textural ceramic base, oversized conical linen shade, and looped handle evoke a sense of quiet nostalgia. Soft, tonal whites make it ideal for minimalist spaces, while its cordless, rechargeable design lets you carry it from room to room with ease. Touch dimmer on fixture. Includes a usb-c charging cord. Battery life lasts up to 12-15 Hours. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
