Hewn Table Lamp

By Troy Lighting

Description

Petite yet impactful, the Hewn Table Lamp features a hand-carved wood base with a sculptural cut-out detail reminiscent of a split log. A beige linen shade enhances its natural texture, adding to the lamp's rustic, pastoral appeal, while Patina Brass hardware accents the earthy materials and craftsmanship. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
