Heartwood Table Lamp

By Troy Lighting

Description

With its hand-carved base and warm stained wood, the Heartwood Table Lamp is a sculptural study in texture and authentic charm. Rustic grooves add depth and character, while an ivory linen shade softens the silhouette. A Patina Brass neck lends a hint of polish to this grounded, one-of-a-kind design. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
