Grashoppa Fabric Desk Lamp

By Gubi

Description

The Grashoppa Fabric Desk Lamp is a new addition to Gubi's Grashoppa collection inspired by prototype sketches of Greta M. Grossman's design. The angled brass stem is a defining characteristic of the Grashoppa collection, while a fabric shade adds a new material to the design. The shade's elongated, conical shape provides pleasantly diffused lighting, and it can be adjusted with a joint on the top of the stem. On/off switch located on base.
