Pinho Glass - Set of 2

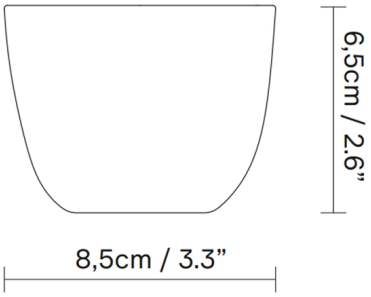

By Form & Refine

Description

Named for the pine forests where the Portugal glass industry was founded, the Pinho Glasses honor the traditional craft of glass blowing. The shape of the glass is rounded to fit comfortably on the palm of your hand and is a good size for coffee, water, or even cocktails. With its thick walls, the glass is safe to use for hot or cold drinks, and is dishwasher safe. Order the matching carafe separately to create a complete set.
