Angle Foldable Stool

By Form & Refine

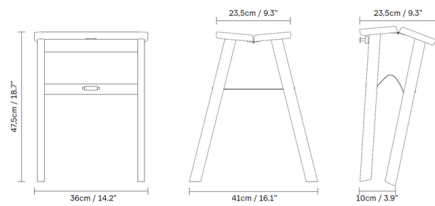

Description

The Angle Foldable Stool blends design and function into a sleek form. Multipurpose and durable, the oak frame folds for easy storage and can be hung from the wall with the include large angle brass hook. When opened, the seating sides are angled with 10 degrees towards each other for maximum seating comfort. The leather cross band underneath the seat is attached with supporting brass dowels on each side, giving the stool its final modern touch.
