Spring Valley Chandelier

By Hudson Valley Lighting

Description

The expressive Spring Valley Chandelier makes a modern floral statement. Two layers of artful petals' are detailed with irregular edges and realistic textured ribbing, giving this chandelier a multi-dimensional feel. As light emanates from the inner champagne cloud seedy glass shade, it enhances the warmth and beauty of the all-over Vintage Gold Leaf finish. For added dimensionality, light radiates from both ends.

Shown in vintage gold leaf
