## Northfield Wall Sconce

By Hudson Valley Lighting

### Description

Sharp edges and soft curves find common ground in the minimalist composition of the Northfield Wall Sconce. This simple design includes one or two matte cloud glass tube shades standing vertically within streamlined metalwork finished in Aged Brass. The understated modern style makes this a versatile staple for many design schemes. Note: Fixture does not cover a standard US junction box and requires a 2 x 3 inch gem box.

Shown in aged brass / cloud
