Duell Picture Light

By Hudson Valley Lighting

DAMP

Description

An industrial take on a classic picture light, the Duell Picture Light adds fine knurling to a clean-lined cylindrical shade. While the slender profile and streamlined backplate allow Duell to blend into any space, the oversized brackets and rectangular armbacks introduce architectural interest. Note: Fixture does not cover a standard US junction box and requires a 2 x 3 inch gem box.

Shown in aged brass / aged brass
