## Cy Floor Lamp

By Hudson Valley Lighting

### Description

The Cy Floor Lamp pairs a softened, architectural form with artisanal detail to create a floor lamp that feels both sculptural and serene. Handmade in the Philippines, the elongated rectangular shade is crafted from off-white linen and accented with mushroom-hued whipstitching along the edges an understated detail that adds warmth and dimension. The antique-inspired iron base features subtle decorative notches, providing a sturdy foundation with a sense of worldly refinement. Full range dimmer on cord.
