## Havelock Table Lamp By Hudson Valley Lighting

## Description

Calming and textural, the Havelock lamp features a slender, tapered base with a novelty Roan Grey glaze. This ceramic finish reveals subtle speckling and soft tonal shifts that add dimension to the base. Hidden Aged Brass hardware keeps the focus on the natural elements of the lamp. Complemented by a wheat-hued linen shade, Havelock is a perfect fit for earthy, minimalist interiors. Full range dimmer on socket. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in grey / white linen
