Farmingdale Table Lamp

By Hudson Valley Lighting

Description

Handcrafted in India, the Farmingdale Table Lamp taps into the trend for artisanal pieces. The cast aluminum base features a stacked, cylindrical shape with a highly textural grid pattern and exposed edge detailing. A smooth neck provides a break in texture, while the natural linen shade softens the overall look. Dark Bronze hardware coordinates with the metalwork of this striking lamp. Full range dimmer located on socket. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
