Bloomvale Wall Sconce

By Hudson Valley Lighting

Description

Made in India, the Bloomvale Wall Sconce is a softened exploration of geometry. The clear cut glass composition includes three stacked spheres and an upward-facing dome shade with an intricate crosshatch pattern. To balance the textural surface, the Aged Brass-finished backplate and arm are clean and simple. With its artful design and approachable size, Bloomvale will look poised in hallways and bedrooms.

Shown in aged brass / clear
