Hurleyville Wall Sconce

By Hudson Valley Lighting

DAMP

Description

The Hurleyville Wall Sconce celebrates the beauty of Indian glass craftsmanship. The stacked composition includes two light bronze seedy glass shades and a matching orb. A slightly bubbled texture in the glass adds to the graphic appeal of the design. Finished with Aged Brass metalwork, the overall effect is fresh and playful as Hurleyville elevates lighting to a work of art.

Shown in aged brass / light bronze
