Silo 2SC Pendant By Lambert & Fils Studio

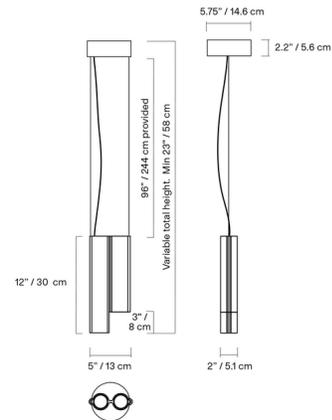

Description

The Silo 2SC Pendant offers a theatrical but sleek look thanks to its array of extruded aluminum cylinders. Silo's curving shape creates a rhythmic expression that adds a contrast to the pendant's rigid aluminum construction. Silo is available with downlights only, or with 2 downlights and a single uplight to create a dramatic lighting effect. ELV / 0-10V dimmable.

Shown in tumbled aluminum
