Silo 3SD Pendant

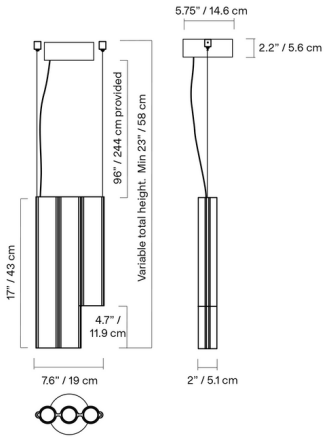

By Lambert & Fils Studio

Description

The Silo 3SD Pendant offers a theatrical but sleek look thanks to its array of extruded aluminum cylinders. Silo's curving shape creates a rhythmic expression that adds a contrast to the pendant's rigid aluminum construction. Silo is available with Downlights only, or with 3 Downlights and a single Uplight in the central cylinder to create a dramatic lighting effect. ELV / 0-10V dimmable.

Shown in glossy oxblood
