Silo 4SA Pendant By Lambert & Fils Studio

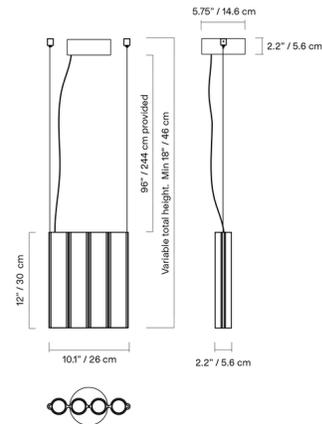

Description

The Silo 4SA Pendant offers a theatrical but sleek look thanks to its array of extruded aluminum cylinders. Silo's curving shape creates a rhythmic expression that adds a contrast to the pendant's rigid aluminum construction. Silo is available with downlights only, or with downlights and a single uplight to create a dramatic lighting effect. ELV / 0-10V dimmable.

Shown in textured aubergine
