Silo 4SE Pendant

By Lambert & Fils Studio

Description

The Silo 4SE Pendant offers a theatrical but sleek look thanks to its array of extruded aluminum cylinders. Silo's curving shape creates a rhythmic expression that adds a contrast to the pendant's rigid aluminum construction. Silo is available with downlights only, or with 4 downlights and a single uplight to create a dramatic lighting effect. ELV / 0-10V dimmable.

Shown in textured white
