TS24M Surface Mount Track Stem Center Power Feed

By PureEdge Lighting

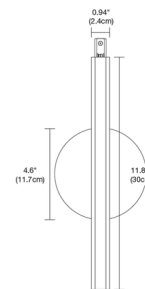

Description

The TS24M Surface Mount Track Stem Center Power Feed allows the TS24M track to be suspended and powered from a ceiling up to 40' away with a remote power supply. Stem lengths are available from 4 inch to 48 inch, offered with a 4.6 inch round canopy that fits on a standard junction box or a 2.6 inch round canopy for new construction supplied with a 2 inch junction box plaster ring. May be wired as a dual or single feed. 2 inch or 4 inch round canopy.
