Verge Corner Warm Dim Drywall Plaster-In System 24V

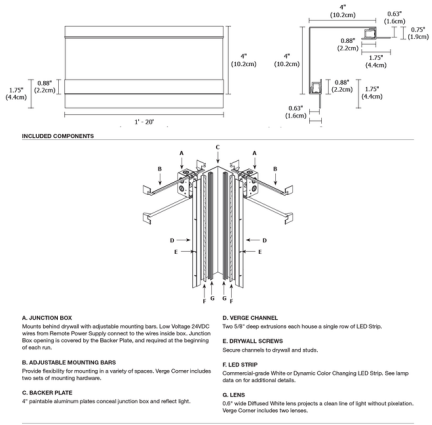

By PureEdge Lighting

Description

Verge Corner features an innovative design that mounts directly to wall studs or ceiling joists without any modification, and is recessed and plastered into 5/8 inch or thicker drywall. The Verge system creates visually interesting and dramatic illumination by highlighting the inside corners of two drywall surfaces. Sold in 5 foot increments (available in 1 foot increments) up to 20 feet in Warm Dim 27D (2700K-1800K) or 30D (3000K to 1800K) color temperature, and is field-cuttable. Included components: Junction Box, Adjustable Mounting Bars, Backer Plate, Verge Channel, Drywall Screws, LED Strip, and Lens(es). Features a 4 inch paintable backer plate. NOTE: Required power supply, dimmer control, and optional accessories sold separately.

Shown in white
