Elea Color-Select Lectura Swing Arm Wall Light

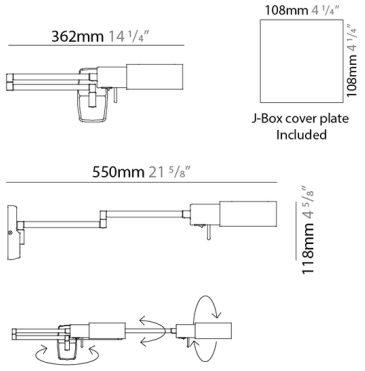

By ZANEEN design

Description

Elea Lectura is a surface and portable series that blends seamlessly into spaces to encourage inspiration and create environments for reflection. In addition to its focused light, its key feature is functionality, turning it into a reading lamp suitable for a variety of applications. There are a selection of color finishes 2700-2900K available, offering design flexibility. With its articulated extendable arm, Elea Lectura is an ideal choice for interior spaces looking to add a classic yet modern fixture. Note: Includes cover plate for U.S. junction box
