Twain Floor Lamp

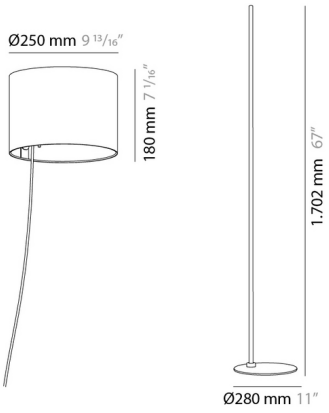

By ZANEEN design

Description

Twain provides infinite combinations within a single lamp. With the option of one or two shades for the floor lamp, its unique design makes it possible to adjust its height to the desired position as well as a 360 rotation. This dance of shades and streamlined structure makes it a special lamp, adding a touch of playfulness and harmony to different spaces. The lamp shade is raw inchdreams inch material (100% polyester), with a rigid PVC film structure.
