## Superwire S3 Pendant

By FLOS

### Description

Experience the commanding yet understated presence of the SuperWire S3 Pendant, a design that effortlessly marries minimalist form with powerful illumination. This lamp features a distinctively simple, essential silhouette, drawing immediate attention with its elegant verticality. A trio of hexagonal glass diffusers ingeniously house arrays of integrated LED filaments, providing a beautifully warm, homogenous light along the entire length of the lamp. A concealed downlight module provides functional accent lighting on tables, complemented by the warm, diffuse glow of the vertical modules.

Shown in steel / clear
