Arbor Pendant - Floor Model

By Bert Frank

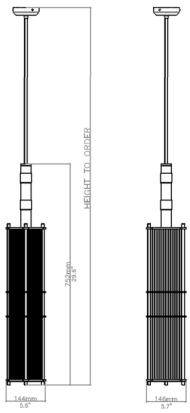

CE

Description

Inspired by the grandeur of Art Deco design, the Arbor Pendant features an eye-catching linear form that will add a sophisticated accent to any space. Vertical acrylic rods run along the sides of the pendant to obscure the light source and create a warm, intimate glow. Whether installed on its own or in a group over a table or counter, Arbor will make an eye-catching statement. Note: Includes 18 inch downrod. Alternative lengths can be ordered. Speak to a sales person if interested.
