Phenomena Capsule Pendant - Overstock

By Bomma

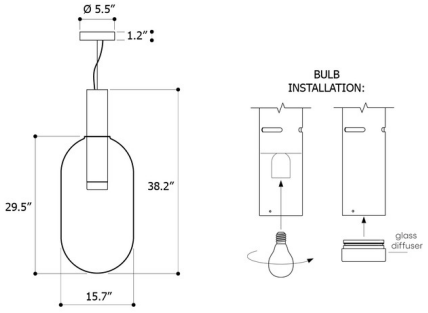

CE

Description

The Phenomena Capsule Pendant was inspired by simple shapes. The term phenomenon comes from the Greek word appearance. This seems fitting for this fixture, as what you see is what you get. The simple design gives a soft easy feel making it suitable for a wide variety of styles. The glass shade is mouth-blown thus the intensity of color and gradient may slightly vary. Mix and match pieces from this collection for a fun, stylish appeal. Note: This fixture is over 50 pounds and requires additional ceiling support, such as a robust 5/8 inch plywood backing.
