Knot Cilindro Pendant - Overstock

By Brokis

Description

Knot Cilindro Pendant is a stately fixture that combines coarse natural fiber with smooth, transparent blown glass creating a contrast as striking as it is dignified. A cylindrical glass shade is penetrated by a robust cord that seemingly pulls the bottom of the glass inward for a bemusing plastic effect. The LED light source is housed in a handsome top hood, which, like the cord end cap, is fashioned in refined metal. Knot is well-suited to both private and public interior spaces and makes a particularly impressive statement above dining tables.

Shown in brushed stainless steel / glossy smoke brown
