## Big Foot Coffee Table

By 101 Copenhagen

### Description

At first glance, this collection exudes an air of weightiness and solidity, but upon closer examination, you'll discover a delightful surprise. Crafted from fiber concrete, Big Foot Coffee Table is astonishingly lightweight and effortlessly mobile, offering a harmonious balance of style and convenience. Drawing inspiration from the realms of brutalist architecture and contemporary sculpture, the Big Foot Collection showcases a distinctive design aesthetic that is sure to turn heads. The cylindrical legs exude a sense of modernity and sophistication, while the textured and painted surfaces add an intriguing depth and visual appeal.
