## Brutus Slim Dining Chair

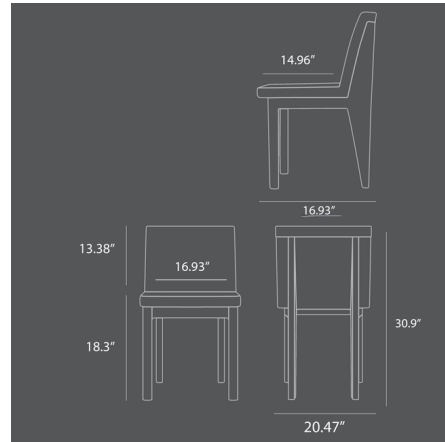

By 101 Copenhagen

### Description

Inspired by the Brutalist architecture movement of the mid-20th century, the Brutus Slim Dining Chair is cast in lightweight fiber concrete creating a unique surface texture increasing mobility. Each piece is hand painted to create a textured, unique surface. Emphasizing the fine balance between sharp architectural lines and a somewhat softer curve in the back and armrest, the Brutus is sculptural statement pieces with a compelling seating comfort.

Shown in coffee
