## Foku Chair

By 101 Copenhagen

### Description

Inspired by the tranquil artistry of Japanese Zen gardens, the Foku Chair brings organic harmony to the collection. Its fluted seat echoes the raked sand patterns of Zen gardens, balancing geometric precision with natural inspiration. With its plush foam layers and voluminous presence, the Foku Chair is as comfortable as it is visually compelling. Modular in function, multiple Foku Chairs can be seamlessly joined to create a versatile sofa lounge, allowing for adaptable seating arrangements that suit any occasion. Each Foku Chair includes two metal brackets, which can be mounted underneath the legs with a small screw. Deep Taupe, Smoked Sand, and Off-White are made of a Boucle fabric while Taupe and Warm Grey are a Sunproof material.
