Temple Coffee Table

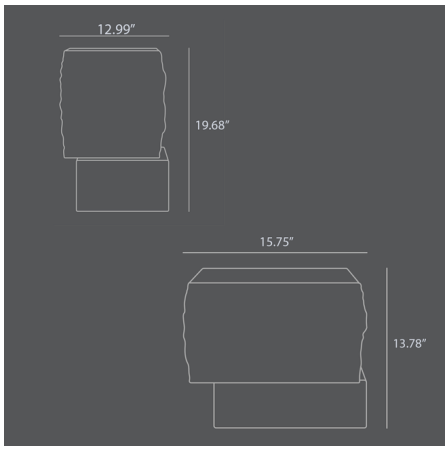

By 101 Copenhagen

Description

Rich on architectural references, Temple Coffee Tables reminisces architectural facades to create a play of tactile and polished surfaces. Made from a beautiful sand color limestone, each table consists of two staggered blocks on top of each other. Rich on texture, small holes and incorrections, each table embraces the beauty of the natural stone. Made by skilled stone artisans, the tactile surface is achieved by delicate hand carvings. Temple Coffee Tables comes in two sizes and is suitable for many purposes, such as coffee tables, side table and plinths to exhibit objects. Limestone is suitable for outdoor use.
