Limestone Podium

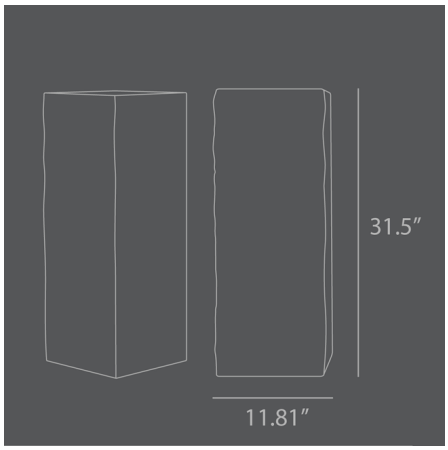

By 101 Copenhagen

Description

Podium is a means to get the gallery feeling and exhibit your favorite object or piece of art at home. Rich on architectural references, the Limestone Podium reminisces architectural facades to create a play of tactile and polished surfaces. Rich on texture, small holes and incorrections, each Podium embraces the beauty of the natural sand color Limestone. Made by skilled stone artisans, the tactile surface is achieved by delicate hand carvings, making each podium truly unique. The Podium can is suitable for many purposes, such as coffee table, side table and plinths to exhibit objects. The Podium Lime Stone is suitable for outdoor use.
