Cobra Double Vase

By 101 Copenhagen

Description

A tribute to the Cobra Arts Movement of the 1960s, the Cobra Double Vase is the epitome of quirky vases that will add joy to any interior setting. Think whimsical, soft and organic shapes unmistakably reminiscent of human silhouettes and curves. True to the Cobra artists way of working, the series takes its starting point in naive hand sketches leading to bodily silhouettes. As it is a hand glazed natural product, the colors may vary slightly. Note: Not all options are available.
