Toe Armchair

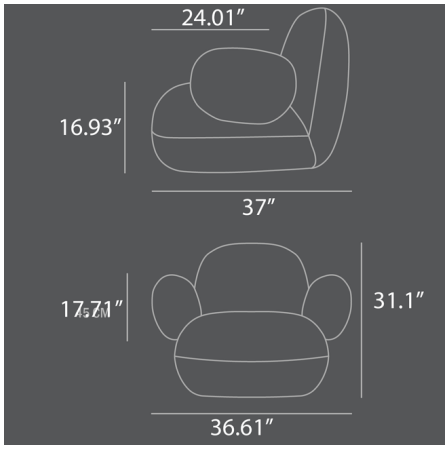

By 101 Copenhagen

Description

Introducing the Toe Armchair, an ode to 70s futuristic design, reimagined into a modern full upholstery lounge chair. With its striking silhouette, the Toe Armchair features thick and soft upholstery with seamless connections between the different elements, crafting a voluminous and minimalistic shape. A smooth oval-shaped armrest adds both visual intrigue and invites to relaxation, supporting the arms with a soft yet sturdy feel. The sculptural quality of the Toe Flat Armchair transforms it into an artistic centerpiece in any room, while a meticulously balanced combination of premium foams ensures a high seating comfort. Embodying both the aesthetics of the 70s space age and the luxury of modern craftsmanship, the Toe Flat Armchair offers a distinct, elevated experience in lounge seating. Taupe and off-white finishes are made of boucle material while the sand finish is sheepskin.
