Phantom Table

By 101 Copenhagen

Description

Characterized by its intentional naive and handmade expression, the Phantom Table reveals its unique casting technique. The series is at once fragile, delicate, and bulky in its appearance. The Phantom coffee tables are available in two sizes: a tall version and a low version, both made of cast aluminum. Each variation retains the sophisticated and subtle expression that defines the Phantom series, making it a versatile choice for any interior.

Shown in birch
