Dusk Wall Sconce

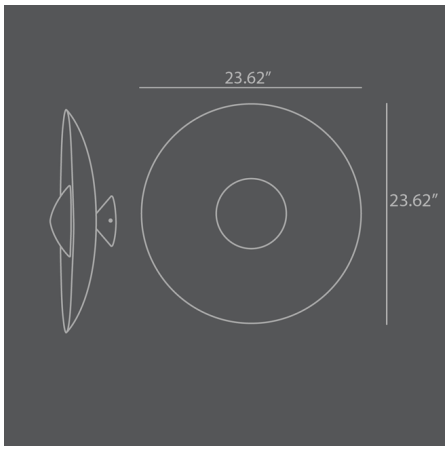

By 101 Copenhagen

Description

The Dusk Wall Sconce is more than light, it is a luminous sculpture, an invitation to dream. Inspired by celestial beauty, it evokes the quiet majesty of distant planets, eclipses, and the raw elegance of Brutalist architecture. Its layered shades orchestrate a mesmerizing dance of light and shadow, creating a rhythm that shifts between subtle glow and deep contrast. A soft, circular aura embraces the wall, casting an ethereal warmth that transforms any space into a sanctuary of depth, tranquility, and inspiration.
