Baleira Pendant

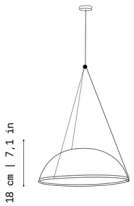

By a-emotional light

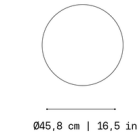

Description

The Baleira Pendant reinterprets the classic dome-shaped pendant in painted steel mesh, lending an intangible character to the design. Rather than using a central light bulb, Baleira houses an LED strip around its perimeter which further adds to the lamp's light and minimal aesthetic. Light is directed both downwards and around the room with an ethereal glow to create a warm, inviting atmosphere.

Shown in black / white

Specifications
