Parga Ceramic Pendant

By a-emotional light

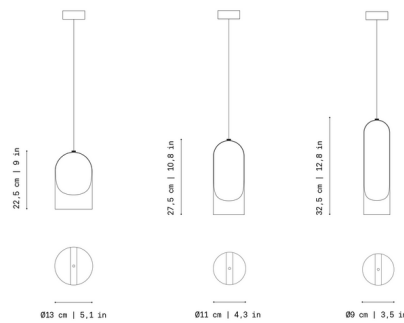

Description

The Parga Ceramic Pendant unites elements of light and ceramic to create a stylish fixture with a statuesque expression. The pendant is crafted from ceramic and formed into a shape reminiscent of primitive stone carvings. The Parga aims light downward to provide bright, direct lighting for a task surface below. Choose an integrated LED module for long-lasting convivence or a changeable bulb to allow you to pick the color and brightness you need.
