## Umбра Round Wall Sconce

By a-emotional light

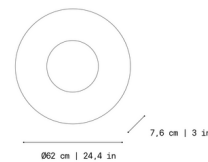

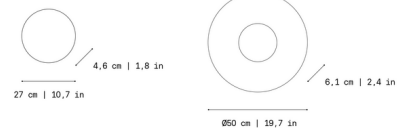

### Description

The Umбра Round Wall Sconce takes its name from the word penumbra, which refers to outer part of a shadow where light is only partially blocked. The circular stainless steel faceplate obscures light from the LED light source, producing an ethereal halo around the fixture. Using simple geometries and an interplay of light and shadow, Umбра offers a simple, refined expression.

Shown in white / warm white

### Specifications

COLOR . . . . . Warm White  
BODY FINISH . . . . . White  
WATTAGE . . . . . 9W  
DIMMER . . . . . Low Voltage Electronic  
DIMENSIONS . . . . . 10.6"W x 10.6"H x 1.8"D
