La Linea Vertical Ceiling Light

By Artemide

Description

The La Linea Vertical Ceiling Light features a flexible acrylic tube descending from the ceiling to provide a uniform column of pleasantly diffused lighting. La Linea's refined, minimalist aesthetic is made possible with Artemide's cutting-edge LED technology, which ensures minimal glare while providing high-performance lighting. A variety of canopy mounting options are available to customize the fixture's look. Note: All options except for the Surface Canopy with Driver require a 24V Class 2 power supply, sold separately. Fixture dimmability depends on the power supply used.
