NH Ceiling Light

By Artemide

Description

The NH Ceiling Light offers a profound exploration into the captivating dialogue between its refined details, exquisite materials, distinctive form, and emitted light. This versatile fixture is designed to adapt and harmonize with a variety of contemporary settings, offering both beauty and function. At its core is a pristine white glass globe that delicately softens the light, producing a warm, diffused glow that creates a welcoming ambiance. This luminous sphere is elegantly suspended and attached by a distinctive Brass hook to a sleek black metal canopy. This thoughtful combination of materials creates a compelling visual contrast and a refined aesthetic. The NH Ceiling Light is available in three sizes, allowing for individual placement or compelling multi-fixture arrangements, providing tailored illumination for diverse spaces. Crafted with precision in Italy, this sleek and sophisticated fixture seamlessly integrates into any contemporary interior, promising enduring style and superior quality.
