Plumage Color-Select Convertible Semi Flush Ceiling Light

By Currey & Company

Description

Like a stunning sunflower, the Plumage Semi Flush Ceiling Light features a bright and sunny profile. Layers of hammered brass leaves in an antique brass finish wrap the circular frame, holding a large, central diffuser that provides soft illumination. Smaller leaves serve as a cap around the ceiling plate or chain. Install as a semi flush ceiling light or pendant. Features color-select technology which allows user to select between 2700K, 3000K and 4000K color temperature options.

Shown in antique brass / white
