Antares Color-Select Ceiling Light

By Currey & Company

Description

The Antares Color-Select Ceiling Light is formed with layered rings for added visual depth. Finished in antique brass, the halo of bands surround a white diffuser that softens the light. When illuminated, the piece shines patterned light across the ceiling, adding a textural effect to the space. Color selectable LED options include 2700K, 3000K, and 4000K.

Shown in antique brass / white
