1900 Side Chair Set of 2

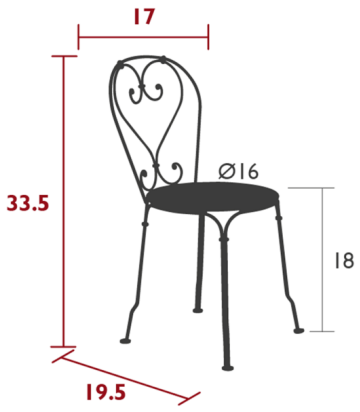

By Fermob

Description

Part of a long French tradition, the 1900 Chair Set of 2 mimics the design of chairs found throughout the romantic, gardens, parks and bandstands of yesteryear. This chair's frame uses steel to create a structurally solid piece of furniture that also incorporates intricate scroll work indicative of Fermob's 1900 Collection. The 1900 Chair also incorporates modern-day, ergonomic construction, making it more practical and comfortable. Stackable up to 10 chairs. Cushion available, sold separately.
